ABOUT THE STARLIGHTERS

The Starlighters host a variety of activities each year.

Fund raisers are held supporting projects for the Starlight Pines Homeowners Association and Community Center. Also goods, services and monetary donations go to selected, approved local agencies, animal welfare shelters and military veterans' organizations. To date, the Starlighters have contributed thousands of dollars to these associations.

Meetings and events are held monthly, March through December, and have included shopping trips, yard sales, silent auctions, boutiques, and lunches. Educational events have included guest speakers and tours.

MISSION STATEMENT

The Starlighters Auxiliary is a committee of the Starlight Pines Homeowners Association.

"The purpose of this organization shall be to promote and to advance the welfare of the Starlight Pines Homeowners Association through ways approved by the membership of the Auxiliary and the Board of Directors of the Association. This purpose shall be accomplished by service to the Association and though fund-raising in a manner satisfactory to the SPHOA governing board and in harmony with the community."

100% of the profit from the sale of our merchandise, breakfasts and events goes to help charities, the military and community organizations here in Happy Jack as well as in Winslow, Flagstaff and Payson.

The donation requests may be made by a majority consensus of Starlighters' members present at a meeting then approved by the SPHOA governing board.

We hope to create community involvement through a sense of cooperation.
